

Celebrating the Life of

Audrey Pretti Godwin

23.10.2026 AT 11AM - 2:15PM

Bubble Ceremony

Bubbles are magical.
They make us smile. They make us giggle.
They remind us of simple joys and simple times.
Bubbles are brief. They are here for just a moment,
sparkling, bouncing, shimmering.

Then, having completed their task, they are gone.
Left behind is the memory of the joy and the experience.

So, as we watch these bubbles dancing in the air, let us
be thankful for Audrey's time on earth.

It was not long enough for anyone here, but Audrey
completed her task, brought joy, light and energy
into the world. Now her task is completed.

While it makes us sad to not have her in your world, you
can remember this sparkling life that bounced through
you and left memories that will stay with you forever.

Amen.
